

Sculpture by the Sea, Cottesloe 2018 in pictures

March 8th, 2018, 12:30PM | Written by Tanya MacNaughton and Andrew Ritchie | [Western Suburbs Weekly](#)

LIFESTYLE

THE final addition to Sculpture by the Sea, Cottesloe 2018 has been made with yesterday's installation of Chinese sculptor Zhan Wang's work *Floating Rock*.

The piece was delayed after a freight issue en route to Perth where it was not loaded on to the scheduled ship in Malaysia.

The full exhibition can now be viewed at Cottesloe Beach until March 19.
